ABOUT MULBERRY CO

Australian Made Furniture, All in One.

Designed. Made. Delivered.

Mulberry is an Australian-made furniture manufacturer supplying retailers across upholstery, bedding, dining, timber furniture and commercial seating.

From sofas, modular and recliners to upholstered beds, bases, accent chairs, dining pieces and timber furniture, our range is designed to give retailers more choice from one local manufacturing partner.

With local production, made-to-order flexibility and a broad product capability, Mulberry helps retailers create complete furniture programs without relying heavily on imported stock or multiple suppliers.

Main Upholstery Facility

approx. 4000m²

2 / 184 Milperra Road, Revesby, NSW 2212

Timber Facility

approx. 1500m²

1 / 64 Violet Street, Revesby, NSW 2212

Premium Local Materials

Australian hardwood, upholstery materials and local workmanship help create bedroom furniture with stronger quality and value perception.

More Customisation

Beds, bases, chairs, benches and timber pieces can be tailored across fabric, size, finish and functional options to suit different customers.

Less Stock Pressure

Made-to-order production allows retailers to offer more options without carrying every size, colour or configuration on the floor.

Better Lead Time Control

Local manufacturing reduces reliance on overseas shipping schedules and gives retailers clearer communication throughout the order process.

SMART LIVING.
EVOLVED CRAFTSMANSHIP.

SCAN FOR MORE INFO

This year's show explores how technology can be seamlessly embedded into everyday living, while celebrating the next evolution of Mulberry's Australian-made timber capability.
